

Blue Oval Classic Information

Thank you for your interest in the Ford Owners Association of the Carolina's annual Blue Oval Classic All Ford Event.

The Ford Owners Association of the Carolinas (FOAC) is an organization formed by Ford enthusiasts wanting to bring together all Ford owners dedicated to the restoration, modification, preservation and enjoyment of all vehicles built by Ford Motor Company, from the earliest years to the current models. The FOAC has a long-standing tradition of caring for those less fortunate, and actively supports Dove House Children's Advocacy Center, located in Statesville, NC.

The Blue Oval Classic is more than a car show. It is an all-day event! Lots of music, prizes, and food. Booths for sponsors, as well as auto-related and non-auto-related vendors. Best of all, we raise money to support Dove House.

And yes, there is also a car show. The Blue Oval Classic is held at Mooresville Ford. Past shows have attracted nearly 250 of the coolest Ford Motor Company vehicles, representing every decade from the 1910's to the present day. From magazine-quality street rods, to stocks, to modifieds, to unrestoreds and works-in-progress, there is always a great variety of cars and trucks at the Blue Oval Classic.

The cars don't drive themselves. As a family-friendly event, most vehicles average two attendees. With an ever growing number of spectators, we have seen well over 500 people on the show grounds throughout the day. While we get attendees from multiple states, over 70% of our attendees live within 30 miles of Mooresville, North Carolina.

You can be a part of the Classic, and can help us raise money for Dove House. Have a cool Ford-powered vehicle? Enter the show. Have a business to promote or products to sell? Be a sponsor or vendor, and set-up a booth. Just want to help a good cause? Send in a donation, or post a show flyer. Looking for some family-friendly fun? Stop by the Blue Oval Classic.

This package contains information about the FOAC, Dove House Children's Advocacy Center, Blue Oval Classic sponsor and vendor opportunities, and a copy of this year's show flyer. You can also find out more information about this year's Classic, and see photos of past events, at our website, www.foacarolinas.com. You can follow the Ford Owners Association of the Carolinas on Facebook. Check both sites often as we continue to update each as we get closer to the event.

For additional information, or to discuss opportunities to be part of the fun, contact me directly. I hope to see you at this year's Blue Oval Classic!

Thank you!

Kim

The Ford Owners Association of the Carolinas is proud to support the fine work done by
Dove House Children's Advocacy Center
www.dovehouse.us

*Serving child victims of sexual abuse and their non-offending
family members in Iredell and Alexander Counties, North Carolina*

Dove House Children's Advocacy Center embraces a coordinated, comprehensive and systematic approach, which is child-focused, family-friendly, community-oriented and facility-based. We are a resource designed to enhance the coordination among existing community agencies involved in the investigation and intervention process, while keeping the well being of the child as our central focus. We exist in order to:

- Provide a child-friendly facility where investigation and intervention activities take place so that further trauma to child victims and non-offending family members is minimized;
- Facilitate investigations with all involved community professionals from initial case assessment to final disposition, with the goal of enhancing the process for optimal case resolution.
- Promote therapeutic interventions for child victims and their families in order to maximize their progress towards healing;
- Provide the child and non-offending family members with support and consistency in case activities, including the criminal prosecution process and overall case follow-up communications;
- Mobilize and train community agencies and professionals to better serve child victims of sexual assault;
- Maintain a central repository for all data concerning child sexual abuse in Iredell and Alexander Counties through maintenance of a child-focused data tracking system
- Prior to Dove House's existence, approximately 20% of offenders were convicted. Since Dove House's inception, the conviction rate has risen to 86%.

Blue Oval Classic Vendor Information

The Blue Oval Classic reserves space for a variety of vendors on the show grounds. This includes vendors for food, auto-related items, and non-auto-related items.

In order to make the day worthwhile, the FOAC only allows a limited number of food vendors at the event. Food is a very important part of the day for our guests. If a food vendor doubts their ability to attend the event, they should not request a space.

Most vendor areas are on grassy areas. A limited number of blacktop locations are available for vendors with trailers, or other considerations.

All vendors must work with an FOAC representative to reserve a space. The associated fee or deposit must be paid in advance.

Non-food vendors will be charged a fee of \$25 for a 10' x 10' space. Additional fees will be negotiated for larger spaces.

Food vendors will be charged 10% of their gross receipts taken in at the event. To reserve a space, food vendors are to pay a deposit of \$100 prior to the event. Within 15 days after the event, the vendor must contact their FOAC representative, to let the FOAC know the amount of the vendor's gross receipts. The total fee will be calculated at that time. If the vendor's gross receipts exceed \$1,000, the deposit will be applied towards the total fee, and the unpaid balance will be due within 30 days of the event. If the vendor's gross receipts are less than \$1,000, the difference between the \$100 deposit, and the total fee due, will be refunded to the vendor within 30 days of the event. If the vendor does not attend the event, their deposit will not be refunded.

As the show grounds fill up fast with lots of show cars moving about, those vendors who reserve a booth space must be on the grounds and unloaded no later than 8:00AM. If you are bringing a trailer, it is suggested that you are in place even earlier. No hookups for electricity or water are provided. Vendors are required to provide their own tables and chairs. Canopies can only be used on grassy areas, and must be anchored. Please work with your FOAC representative, in advance, to discuss your requirements.

The Blue Oval Classic is a "rain or shine" event.

For vendor opportunities, please contact:
